You can request to make a reservation through our Booking Request System on our website. You will then receive a confirmation email of your Booking Request and your Booking Request number. Please note that this is an automated email for your records and does NOT mean that you have a **confirmed booking**.

We need to first double-check the availability and rates for the requested period. We will then contact you confirming the above and take you through our booking process:

- We require a rental contract to be signed and returned.
- We also require a copy of your ID (passport or drivers licence) and proof of address.
- Following receipt of these we will be happy to confirm that a booking has taken place only once a payment of 40% has been received.
